Dear Hiring Manager,

I am excited to apply for the Full-Stack Software Engineer position at Deloitte, where I can leverage my expertise in React, Python, and cloud-native engineering to create innovative solutions that drive tangible business value. My experience in designing full-stack low-code automation tools has significantly improved logistics efficiency, while my work with AI-driven systems ensures timely data processing and enhances operational workflows. I thrive in collaborative environments, bringing a customer-centric approach to engineering that aligns perfectly with Deloitte's commitment to delivering high-quality, outcome-focused solutions. I look forward to the opportunity to contribute to your team and help shape impactful projects together!

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Joshua Singh
